

John Read Esq
acting warden
United Church

Sir I am sorry to inform you that it will not
be in my power to attend to the Collections on
Friday & Saturday next I have now a large
Blister on my breast my Cough is not any better
I will thank you to attend to making some Ar-
rangements for that object either by personal
attendance or if that be impracticable by your
making an Arrangement with the Cashier by
which my Son Hugh can be spared from Bank
during the Hours of Collection on those Days

I some time ago mentioned to you that
if my Health continued in the imperfect state
it then was I should decline continuing in
Vestry after Easter it is now much worse than
it then was I must therefore request that the
Vestry would think of some other Person to place
on their Ticket in my place as it will not
be in my power to serve any longer

Philad^a 22 March 1825 I am with respect Sir
John Read Esqr Your Obedt Servant

Wm Lloyd Garrison

Albany Dec 30th 1825.

Dear Sir

The precipitate manner in which I left Philadelphia prevented my calling on several of the gentlemen of Vestry as well as yourself to mention the arrangement I had made previous to my absence, to supply my situation in the Church. ~~While absent~~ but as I knew of ~~none~~ no one better qualified acquainted with the duty than Mr. Crowood left it with him confidently and expected he would have returned as soon as the business which called me here could be effected but as I have not yet been able to accomplish my wishes and it being uncertain how soon I may return I take the liberty through you to resign my situation and to offer my sincere acknowledgements to the gentlemen of Vestry for their continued patronage & many marks of kindness shown me during my engagement in the Church. Wishing you and yours much happiness and prosperity to the Church to which you belong I remain respectfully Yours
Mr. John Read George Moore

(P.S.) as the quarter expires on the 10th inst. you
will have the goodness to pay the amount due
to Mr. Omiad for the time which he and
myself have served and I will request him to
call on you for the same Yours H.
Henry Morse
